

LAURA ASHLEY

THE TEA ROOM

Your safety remains our absolute number 1 priority, and so working alongside leading Covid-19 experts, our Tea Rooms are making changes to keep all of us safer, healthier and happier.

Social Distancing:

Through use of technology and signage we can minimise the amount of personal interaction you have with our staff and other guests during your visit.

Our cleaning regime:

Has been enhanced through the use of market leading operating protocols and cleaning products.

Our food and drink services:

We will take all necessary measures to reduce contact and ensure hygiene standards in all of our kitchens.

Our staff are fully Covid-19 trained:

and, as always, are here to help you in any way they can.

Everything we've implemented meets or exceeds industry-wide gold standards. We know that the world has changed, but you can be guaranteed an enjoyable visit where you feel safe & secure.

We will continue to provide a unique and memorable experience for our guests, accompanied by a high level of service. There may be some changes to the way we operate, but rest assured you'll be well looked after by our friendly team from the moment you arrive.

We're following all government guidelines and working on best practice measures within all of our Tea Rooms.
